## *Foreword*

We, the Yearbook Class of '58, are proud to present to you our annual, THE PIONEER. We have earnestly tried to give an entire pictorial history of highlights of the year's activities on these pages.

Our years in RHS have been full years of activities; joys and disappointments, excitement and discouragements; but through all has run a surge of happiness that will never be forgotten.

In years to come may you turn through these pages and recall, too, these happy days at old Romney High School.

The Yearbook Staff  
Janet Carlile, Editor

We, the 1956 Yearbook Staff of Romney High wish to take this means of expressing our deepest gratitude and appreciation to one who has given her untiring effort and devotion for the past thirty-three years as friend and teacher in behalf of all student life at Romney High School. We dedicate this, the 1960 issue of "The Pioneer" to-

Congratulations, graduates, I hope your twelve years in our school system have been both enjoyable and profitable and that from this experience you will be much better qualified to go out and carry on the work in your chosen field and better fitted for your duties and responsibilities as citizens in our society.

A. Clinton Loy  
Superintendent  
Hampshire County  
Schools

It is through education of its youth that America has become strong and a leader of the world. Educational projects such as compiling and editing of the Pioneer, where individual ideas and self expression are used, is the backbone of our educational system.

I hope that we have been able to offer you well-identified programs, strong enough to implant within you the desire to love your fellowman, the will to work, the will to carry on with high moral standards and a true love for God.

If we have not failed you in the foregoing aims, then our educational program has been successful and your time spent with us has not been wasted but you will be able to keep America strong for our posterity as our forefathers have done for us.

I wish to extend my most sincere congratulations to the Pioneer adviser and staff who have worked so diligently to make this a memorable and cherished yearbook for each and every Romney High School student.
